

Week 2 — (Sept-08 to Sept-14)

Discussing Project Ideas with Supervisor.

- We shortlisted several ideas and evaluated them based on feasibility.
- Throughout this week, we conducted **three detailed meetings** both among team members and with our supervisor to refine our understanding and assess each idea critically.
- After discussion with **Sir Muhammad Fahad**, we finalized the project idea.
- **Chosen Project:** Environment Detection System for Blind Users Using a Smartphone Camera
